

TURNBULL

Enhanced Safety and Social Distancing Practices

In compliance with California State guidelines, and to protect the health and wellbeing of our guests and staff, Turnbull has adopted the following enhanced safety and social distancing practices in our Napa Valley Tasting Room. If you have any questions or concerns, please contact us directly at 707-963-5839.

To limit the number of guests on our property, tastings will be:

- Available by-appointment-only
- Limited to six guests per party
- And hosted outdoors-only

For added safety:

- Tables will be spaced at least 9-feet apart
- All tasting room staff will be required to wear masks
- Guests will be required to wear masks when not tasting
- Touchless hand sanitizer stations will be available throughout the tasting room
- Contact surfaces such as tables, chairs, laminated menus, doorknobs, light switches, bathroom fixtures, and faucet handles will be disinfected regularly
- All staff will be trained in enhanced cleaning practices
- Health and safety requirements will be clearly displayed at the visitor entrance
- All wine purchases will be carried to guest vehicles by winery staff

Before joining us at the winery, we ask that any member of staff or guest not feeling well and presenting flu-like symptoms or signs of a fever please stay home. And although we will do our best to shade outdoor tasting spaces, **we also ask guests to please consider Oakville's warm, seasonal weather when booking a reservation with us.**

Before their arrival, we ask guests to read this Acknowledgement of Risk and Waiver of Liability carefully and in its entirety:
