True to the resonant character of the 2016 vintage, our 2016 Oakville Reserve exudes verve and freshness throughout. Bold aromas of dusted blackberries and toasted Bermuda cedar surrender to tertiary tones of bright cherry compote, transporting the senses to broad brushstrokes of the darkly brooding fruit to come. On the palate, ripe black and red berries pirouette in flashes, building momentum through pixilated tannins to reveal textural finesse and freshness that persists all the way through the dynamic finish.

Whether for your own holiday table, or given as a gift, savor the delicious wines Peter will be pouring his guests this holiday season.

Each Winemaker's Picks Set comes in an elegant holiday gift box and includes:
