6 As you scroll down on this page, you will see the wines included in your club shipment, as well as additional current-release wines that are available for purchase. You may not remove any wines from your club shipment, but you can add select any additional wines that you'd like to receive with your club shipment for a \$25 flat-rate shipping fee using the drop-down menus below each wine listed.

7 Once you are done making updates to your shipment, scroll down to select your Payment Method and then select your preferred shipping option (either picking up at the winery, shipping to your billing address, or adding a new shipping address). When this is complete, click "SUBMIT."
