“Stunning stuff, the 2021 Cabernet Sauvignon Black Label offers a full-bodied, deep, majestic style as well as beautiful aromatics of creme de cassis, violets, flowers, and nicely integrated background oak. It has ultra-fine tannins, flawless balance, and a regal, age-worthy style that has so much to love. It, however, is not going to be for the instant gratification crowd and this actually shut down pretty quickly with air. I would hide bottle for 4-6 years and it’s going to cruise over the following two decades in cold cellars.”

“The 2021 Cabernet Sauvignon Black Label is 100% Cabernet Sauvignon, drawn from the Fortuna (66%) and Leopoldina (34%) vineyards. A best-barrel selection, it offers up classic Oakville scents of black cherries and loamy earth, with a gentle cassis undertone. Full-bodied, rich and concentrated, with a long, velvety finish, this is a solid wine, with as much as two decades of age-ability.” – Joe Czerwinski, December 2023

“The 2021 Cabernet Sauvignon Black Label is deep garnet-purple in color. Notes of warm cassis, stewed plums, and Morello cherries soar from the glass with sparks of baking spices and mint tea. Full-bodied, rich, and plush, the mouth is coated with juicy black fruits and the finish is satisfyingly spicy.”

“A blend of top lots from both Fortuna and Weitz, the 2021 Cabernet Sauvignon Black Label is a powerful, dense wine with imposing fruit and equally strong tannic clout. Blackberry jam, graphite, leather, bittersweet chocolate, sweet spice and licorice infuse the palate with tons of depth. The 2021 is a big, ample wine built on textural voluptuousness and sheer power.”

“While the 2020 Cabernet Sauvignon Black Label may not offer all the floral fireworks of the Leopoldina Vineyard bottling, it showcases admirable depth and purity of cassis and black cherry fruit. It's full-bodied, perhaps a bit more powerful, richer and more tannic, with hints of mocha and cigar box as well. Long and sultry on the finish, it picks up extra complexity in the form of salted licorice, black olives and earth.” – Joe Czerwinski, May 2023

“I loved the 2020 Cabernet Sauvignon Black Label, and it's certainly a standout in the vintage. Beautifully ripe darker fruits, chocolate, leafy herbs, and some spicy oak all define the aromatics, and it's rich on the palate, with a layered, textured mouthfeel, ripe tannins, and a great finish.” – Jeb Dunnuck, February 2023

KEN'S WINE GUIDE

94 Points

“This very dark ruby colored Cabernet Sauvignon from Turnbull opens with a black currant and blackberry bouquet with hints of menthol, violets, and molasses and clove cookies. On the palate, this wine is full bodied with medium plus acidity. The mouthfeel is nicely balanced, rather smooth and polished. The flavor profile is black currant and cedar blend with notes of black cherry, black tea, and mocha. We also detected hints of boysenberry and licorice. The finish is dry, and its flavors and moderate well-managed tannins are sustained for quite a while. The Tasting Panel would pair this Cabernet Sauvignon with a hanger steak or braised short ribs. Enjoy.” – Ken Hoggins, February 2023

THE SOMM JOURNAL

“An Elegant Turn of Praise: The wines of Turnbull’s Peter Heitz speak with distinction”

“Turnbull’s 2019 reds have now been released, and they are impressive, big beauties. Never having tasted the brand’s flagship Black Label Cabernet Sauvignon, I was honored to sit down with Heitz to discover its awe-inspiring quality; he claimed this vintage is the best in his 15 years as winemaker. The grapes for this 100% Cabernet Sauvignon are sourced from both Leopoldina and Fortuna, but it’s Leopoldina—which climbs upwards of 860 feet atop the Oakville Bench, where it sits on red volcanic soil with high iron content—that has the dominant voice here (91%).

Heitz sees a holistic balance in the wine despite its youth. As he put it, “The goal is to create elegant, enduring, and structured wines that are rooted in our estate vineyards while striking that perfect balance between interesting and delicious.”

In parting, Heitz turned to me with some praise of his own. ‘As a 14th-generation vigneron, I am both passionate and practiced in the growing and crafting of wines that convey their sense of time, place, and purpose with authenticity; in my years as a winemaker, I have come to realize that such wines don’t always tell their own stories very loudly, and that it can take the eloquence of an accomplished wine writer to convey what makes them so fascinating,’ he said. ‘Writers are an essential partner in sharing these stories and sustaining an audience for these more intimate wines. While what’s in the bottle must always stand on its own merits, without a clear and knowledgeable voice to carry the news from the fields and cellars, many of the very finest wines would languish, their stories unheard.’

2019 Turnbull Black Label Cabernet Sauvignon – 98 Points

This bottling is a selection of individual barrels that prove ‘dark and hedonistic,’ in winemaker Peter Heitz’s words. With dark chocolate-covered cherry leading the way, Black Label is brooding, but its nature is more sensual than temperamental. Graphite and cassia smooth out the meaty mouthfeel, bathed in spiced plum and violets. As deep and haunting as this wine is, it rises to a crescendo of brightness on the finish.” – Meridith May, February/March 2022

WINE REVIEW ONLINE

97 Points:

“It’s amazing how different two wines from the same sources can be when a master winemaker is putting the pieces together. This expression blends the same two vineyards as the Oakville Reserve bottling, but leans more heavily on the Leopoldina Vineyard fruit (91%) and accents with 9% Fortuna Vineyard grapes. The result is a plush, rich black fruit driven offering that shows ripe blackberry, notes of chocolate, char, currants, faint dried herbs — it’s a mind bender of a wine that maintains some old school charm while presenting enough boldness to attract the new school Napa crowd. 100% Cabernet Sauvignon.” – Rich Cook, February 2022

"The 2019 Cabernet Sauvignon Black Label is built around a core of fruit from Leopoldina, with about 30% of the fruit from Fortuna. Black cherry, plum, chocolate, new leather and spice build in a potent, explosive Cabernet that hits all the right notes. In 2019, the Black Label is a real head turner. INTO WINE

92 Points

“Both elegant and burly at the same time, this is that modern take on old-school Napa cabernet: it doesn’t shy away from bold fruit and pronounced oak, but its power lies in its balance. Yes, there is dark red and black fruit, black cherry, blackberry, boysenberry and huckleberry with back notes of strawberry compote, vanilla, black tea, but there is also a balanced approach. All estate fruit from their Oakville vineyards, this 100% cabernet, aged in all French oak represents both a ‘drink now’ cabernet as well as a wine you can hold for several years.” – Michael Cervin, April 2022

Wines of this caliber are worth a special effort to find, purchase, and consume. “Deep garnet-purple in color, the 2018 Turnbull Black Label Cabernet Sauvignon is just a little reticent at this youthful stage. With a little swirling and coaxing, it begins to reveal a staggeringly beautiful nose of warm cassis, boysenberries, black raspberries and dark chocolate, with hints of freshly cut red roses, cinnamon stick, cedar chest and pencil lead plus a waft of fragrant earth. Medium to full-bodied, the palate is super intense, featuring tightly wound layers of black fruits, minerals and baking spices, supported by a rock-solid frame of pixelated tannins and electric freshness, finishing long and fantastically fragrant. **What a stunner!**” – Lisa Perrotti-Brown, November 2020

“There are 47 barrels of the flagship 2018 Cabernet Sauvignon Black Label, a selection from Oakville that **shows the vintage style beautifully**. "Napa Valley's Thrilling 2018s"

"Napa Valley experienced two stunning back-to-back vintages in 2018 and 2019 the likes of which I have never seen. Both vintages produced a bevy of breathtaking wines that will thrill Napa Valley fans. The 2018s are refined and vibrant.

Turnbull

It's always great to sit down with winemaker Peter Heitz, as his down to earth demeanor and self-critical personality stands in stark contrast to much of the hype that at times is common in Napa Valley. But it is that self-criticism that has made the Turnbull wines so compelling of late. The collection of estate vineyards and single-vineyard wines is impressive, but the hidden gem in this range, when it comes to quality and value, is the Reserve, which is a blend taken from various estate parcels in Oakville. The wines are rich and sumptuous, but not overdone. Best of all, prices remain quite reasonable.

2018 Turnbull Black Label Cabernet Sauvignon

The 2018 Cabernet Sauvignon Black Label is fabulous. Inky, deep and powerful, the Black Label has so much to offer. Crème de cassis, graphite, new leather, cedar, mint, spice and lavender all run through this full-bodied, unctuous Oakville Cabernet Sauvignon. The Black Label pushes all the right buttons. It is a tremendous wine in every way. I loved it. The blend is 87% Leopoldina and 13% Fortuna. 2026 – 2043" – Antonio Galloni, March 2021

Their top wine, the 2018 Turnbull 'Black Label' Cabernet Sauvignon (OB, 96) is sinfully good even now. This wine has incredible power and finesse, as well as some seriously good aging potential. These are beautiful wines that are not to be missed.

2018 Turnbull Black Label Cabernet Sauvignon

Big without being massive, the 2018 Turnbull 'Black Label' is a gorgeous wine made by Peter Heitz. Made from only Oakville fruit, and mainly sourced from their Leopoldina Vineyard, this shows off exotic spices and dark plum that mingle with espresso bean and loamy soil aromatics that all take shape in the glass. The palate is lively and fresh with good acidity and really nice mid-palate density. Gorgeous to savor in its youth, try your best to resist this beautiful new wine for at least another year. “Napa Valley Cabernet: Best Oakville 2018 wines”

“Wines from the Oakville AVA scored highly in the Napa Valley Cabernet 2018 vintage report but many will make credit cards recoil, reports Matthew Luczy. We round up the top-scoring wines.

Home to more posh addresses than perhaps any other sub-AVA, Oakville has become an epicenter of the modern, luxe Napa Cabernet. Situated directly in the center of the valley, it is far enough south to access the moderation of San Pablo Bay, and also bask in afternoon sun once the fog has evaporated. There is considerable east-to-west diversity, prompting industry hypotheticals of AVA subdivision. Wines tend to be more ripe and lush in the western section where the soils are sedimentary. The eastern portion exudes a more taut, high-toned minerality from its red volcanic soils.

A selection of the best barrels of both the Fortuna and Leopoldina sites. A blend is not always greater than the sum of its parts, but it is the case here.
